Influence on office growth — I 3.66

Senior Salariat — II 1.83-1.90

Service Centres
Analysis of size and role — IV 3.105-3.124, Figs 3.3-3.17
functions according to size — IV 3.118-3.124, Fig 3.17
linear relationship — IV 3.113-3.117, Fig 3.17
procedure — IV 3.110
results — IV 3.111-3.124, Figs 3.3-3.16
techniques — IV 3.105, 3.109

Service industry
Employment — I 2.33-2.37, 4.4, 4.28
Growth — I 2.36, 4.26
Ranking — I 2.34, 2.35, Table 2.11
see **also** Central London Industry, Offices

Sewage — II 9.22, 9.23, 9.31

Shopping — II 1.43-1.49
Basic provisions — II 1.46
Behaviour — II 1.43
Bibliography — IV Appendix 3B
Central London — I 5.33-5.35, Table 5.8
Hierarchy of centres — IV 3.54-3.66, Table 3.1
Leisure aspects — II 1.44, 1.45
Regional retail analyses — IV 3.78-3.104
classification studies — IV 3.78-3.93
sub-regional studies — IV 3.94-3.99
Retail location models — IV 3.100-3.104
Social aspects — II 1.48-1.50
see **also** Immigrants, Supermarkets

Slum Clearance — II 2.41, 2.74, 2.98

Social Goals
Assessment of policies — II Appendix 1. A13, 1. A14
Choice of residence and facilities — II Appendix 1. A7
Personal satisfaction in work — II Appendix 1. A8
Procedure — II Appendix 1. A11-1. A14
Relationship between houses, jobs, leisure — II Appendix 1. A9
Sense of identity — II Appendix 1. A10

Social Indicators — II Appendix 1. A15-1. A36
Housing quality — II Appendix 1. A28-1. A30
Labour availability — II Appendix 1. A31-1. A35
Living standards — II Appendix 1. A23-1. A27
Problems — II Appendix 1. A17-1. A22

Social Mix — II 1.100-1.103

Social Mobility — II 1.8-1.16
And land use planning — II 1.14
Constraints — II 1.10-1.13
Definition — II 1.8
Individual — II 1.15
Role of education — II 1.125, 1.126

Social Polarization see Greater London

Social Structure — II Ch. 1
The affluent — II 1.84-1.94
Analysis of — II 1.1-1.24
The less privileged — II 1.95-1.146
Trends — II 1.25-1.80

Socio-Economic Groups
Housing — II 2.52-2.57
New Towns — II 2.120
Occupancy rates — II 2.54
Outer Metropolitan Area — IV 1.73
Population — I 1.27-1.30, Tables 1.21, 1.22
Projections 1966-1981 — IV 1.48-1.50
Travel patterns — IV 3.22

Sociologists
Role in regional planning — II 1.1, 1.4, Appendix 1. A11

Southampton
Growth area — IV 2.19, 2.22

South Downs
Landscape — II 3.21-3.23

STRATEGIC PLAN FOR THE SOUTH EAST
Index to Studies Volumes

This index relates to the five volumes of Research Studies which accompany the South East Joint Planning Team's Strategic Plan for the South East, 1970(HMSO).

USER NOTES

1. Volume numbers and main topics are shown in **bold type.**

2. Roman numerals indicate volume numbers. Reference is then made to the Chapter and paragraph number. For example:-

Chalk II 5.49-5.48

This refers to Volume II, Chapter 5, paragraphs 49-58.

3. References to whole chapters are shown as follows:-

Population I Ch. 1

This refers to Volume I Chapter 1.
